E R&D Technology & Resources Company

access-cadd

ATotal Design Solution Company. We build strategic Partnerships with clients & provides solutions to companies where IT Enable Services is a critical part of their Corporate Design Strategy. We also assist our customers in expanding their Business through the Power of INFORMATION & TECHNOLOGY with CAD CAMCAE Tools.

EXPERTISE

Access-CADD, offers world class engineering services to companies across INDIA. The center in Pune & Nashik blends state of art computing facilities with creative resources, and is ranked amongst the important Engineering Design & Development Center. The center is home to large pool of multi-faceted engineers, drawn from diverse domain ranging from Automobile, General Engineering, Product Development, Building Systems, Analysis, Systems Development and Integration.

MANAGEMENT / PROJECT TEAM

Our team is a conglomeration of over a decade of experience and expertise in wide range of areas like Product Design Support, Engineering Documents & Maintenance, Design Validation (CAE/CFD), Engineering Resource Management, Steel Detailing & CAD Training. We share a wealth of experience and broad skill set having served companies from Local, State & Federal Agencies.

- Automobile Industries
- Aerospace Industries
- Off Highway Companies
- Energy Companies
- Manufacturing Companies
- Electrical Companies
- Outsourcing Companies
- Engineering Firms
- Defense Division

ENGINEERING RESOURCE MANAGEMENT

Access has built a strong reputation as a upcoming Engineering & Technology Services Company in India providing our customers with world-class professional resources. Our processes and methodologies for project planning, co-ordination, communication and reporting – access is well placed to be an extended arm of Multinational Engineering Companies.

RESOURCE OPTIONS

- Teams working off-shore - Remote location
- Near Shore - Close to client/Project location
- Hybrid - Combination of offshore and near-shore.

Access e-Manul

ACCESS DOCUMENT MANAGEMENT SYSTEM

R/D DMS Applications:

Time Sheet Management
Test Report Management
Document Management System
Technical Data Translation System
Custom Reporting Software's

STEEL DETAILING - ITES

Take-off Estimates
Shop Drawings
Erection Plans
Anchor Bolt Drawings
3D Modeling
Connection Sketches & Design Calculations
Reports (ABM, Bolt Lists, Sequencing)
Commercial & Industrial Structures

CAD-CAM-CAE TRAINING

FEATURES

- Industries Approved
- Corporate Training
- Individual Assistance
- On Project Faculty
- Valid Certification
- Placement Program
